One could easily feel the enthusiasm of everybody coming over to take an active part in this landmark undertaking. The eagerness to be part of a dynamic community is all over the place with Filipinos from every corner of Salalah are there to get involved and be counted.

The event started with the registration of members who have not yet submitted their registration forms earlier at 11:00 am to 12:30 pm.

It is followed by the Opening Prayer led by Sis. Alice Orozco (Treasurer-Elect).
