The revival of FCCS signals a very significant era for us Filipinos here in Salalah. It not only brought back the former group who happens to be the very first of its kind in this peaceful and very hospitable place, it is also the emergence of Patriotic and Dynamic individuals whose common interest is the overall welfare of our fellow Filipinos. "Mga kapwa Pinoy na nagkakaisa sa iisang layunin at handang makipagtulungan para sa ikabubuti ng pangkaramihan kundiman ng lahat".

We've got it all in FCCS because we have the vision, vision that will cater to the needs of not just a chosen few but the common interest of the majority. It has the programs that are surely beneficial to every sector of society, the old and the young alike. In this group, we will altogether do our best to eradicate regionalism; we will work for the common good setting aside differences in creed, religion, culture, etc. Ipadama natin sa bawat isa na nandito tayo para sa bawat Pilipino saanmang dako sya ng Pilipinas nagmula.

Sama-sama nating gawing makatotohanan ang tila isang pangarap lamang na sa ating munting komunidad: "May Kapamilya ka na, may Kapuso pa."

Opo kabayan, kasama ka rito, Atin 'to.

Mabuhay ang FCCS, Mabuhay ang Pilipino!!!
